Dear Mrs Mauley

In connection with our conversation at the Polo Grounds to-day, I am writing you in reference to my trip to the World's Series.

I will plan to see Jack Zeller, general manager of the Detroit Ball Club and I thought it may be wise and to your advantage; if you could add something to my check for services rendered. The extra money would be used to take Mr. Zeller and others connected with his organization for some entertainment and so on. I will do all I can to line up things for you at Detroit for the season of 1946. Trusting this suggestion will meet with your approval, and with kindest regards to you and Mr. Mauley I am

Very truly yours
Tad. Taguer.
